Monday 13th October 2025
Excellence with Compassion

Dear parents,

Parent Questionnaire

Attached to this letter is a parent questionnaire. We value our parents' opinions, and welcome any feedback you can give, as this can be used to support us in confirming what is working well, and can be fed into our School Improvement Plan to see what we can do even better. Copies will also be available for parents to complete on both parents' evenings. To give the school a more accurate picture, we please ask that parents complete one per child. Many thanks in advance for supporting us with this. Completed questionnaires can be returned to the office by the end of this half term.

Last week.....

We had lots of children enjoying trips last week.....

On Monday 6th October, Class 5 visited The Tower of London where they took part in an engaging Crime and Punishment Workshop. They learned about various historical figures who had been imprisoned in The Salt Tower. Class 5 then enjoyed a self-guided tour around the grounds, with over 1,000 years of history, exploring The White Tower and The Crown Jewels.

Then on Thursday, Class 1 visited the Wallace Collection! They had a great time travelling by bus and seeing all of the wonderful armour in the collection!

We also had our first family assembly where we could invite parents and carers last week. Class 3 shared their persuasive Paddington Bear letters, and Class 5 shared some science work they had been doing on the solar system. This was also the first collective worship family assembly attended by Reception Class, and they settled in beautifully!

And on Friday, our Year 5/6 tag rugby team enjoyed a trip to Regents Park to take part in some coaching and to compete in a competition against other Westminster Schools.

Year 6 are currently taking part in weekly workshops as part of the Creative Collection sessions. This is run by Dream Arts. Dream Arts also run acting, singing and dancing classes on Saturdays at the Abbey Centre and Sundays at City of Westminster College. We have fliers in school if you would like to know more.

Hello Yellow

On Friday we marked Hello Yellow day as part of mental health awareness week. It was lovely to see so many of our children coming to school dressed so brightly and coming together to support this crucial cause. We raised a total of £171.15! A huge thank you to all who contributed.

Coming Up.....

Tomorrow is school photo day. This is for individual photos, so please do come looking smart!

Harvest Collection

Our harvest service will be during Family Assembly on Thursday 16th October, so you still have until the 16th to donate any food items, toiletries or socks to our collection for The Passage. Thank you so much to all who have donated items so far; these will truly help those in our community who are currently struggling with homelessness.

Parents Evening and School Meals Tasting

On Thursday 16th and Thursday 23rd October, we shall be holding our Parents Evenings. On the first Parents Evening, Chartwells (our school meals provider) will also be holding a food tasting session for parents, so that you can sample the kinds of food our children eat day to day. Please do join us for this. The food tasting is 3.30 – 5.00pm.

Attendance

Congratulations to Reception, who have already received 9 stars and who will be receiving an Excellent cheque for the classroom!!!

Best attendance this week was Class 4 with 98.62% Well done Class 4!

Continuing our theme of friendship, in Collective Worship we looked at the story of the ten lepers who were healed and only one said thank you to Jesus.

Prayer for the week:

Help us Lord to always be grateful, and to remember to say thank you to our friends for all they do for us.

Amen
