Excellence with Compassion

Dear parents,

Class 5 and Class 2 were excited to welcome the fire brigade into school for an important fire safety session. The children learned about common causes of fires and explored real-life scenarios, discussing what could have been done differently to prevent them. They also learned practical ways to stay safe, reduce the risk of fire and know what to do in an emergency. It was an engaging and valuable session that helped our pupils understand the importance of fire safety at home and at school.

Year 4 Youth Kitchen Sessions

In family assembly Year 4 shared with us all that they had been doing with the Youth Kitchen. During their sessions, they have had a great time learning how to prepare sushi. Last week they learnt how to make Thai Green Curry!

Harvest Collection in aid of The Passage

Thank you for all of the amazing Harvest Gifts our families brought in over the past few weeks. These have now been donated to The Passage.

Hello Yellow

Don't forget Friday is Hello Yellow day! Children are invited to come into school wearing something yellow and bring in a donation (suggested donation £1) for the YoungMinds charity. This can be one yellow thing or as much yellow clothing as you have at home! During the day, the children will be talking about mental health.

For further information please visit <https://youngminds.org.uk/> Hello Yellow is an event which we mark annually in aid of children's mental health awareness. YoungMinds is the UK's leading children's mental health charity committed to improving the mental health and emotional well-being of children and empowering their parents and carers.

SEND Coffee Morning

Join us in the school dining hall on Thursday 8th October, 9–10am for a SEND parent coffee morning with our Autism Advisory teacher, Jenny Reeve. Jenny will focus on recognising early signs of autism and practical strategies parents can use at home to support regulation and behaviour.
