Excellence with Compassion

Dear parents,

Harvest festival collection

Last Monday morning, we had Tamzin from The Passage visit us in assembly. She spoke to all classes about the charity work that they do at The Passage and their mission to end homelessness in Westminster and beyond.

Tamzin also took the opportunity to explain to the children how their wonderful donations every year help to serve the homeless community in their local area and asked that we show compassion again this year and donate once more. Suitable donations include any food items with a long shelf life as well as essential every day items that includes soap, toothbrush, socks, underwear and basic clothing. Donations can be brought to school and placed on our harvest table in the hall.

- Biscuits + protein, cereal bars
- Crisps, dried fruit, crackers
- Pot noodles
- Rehydratable meals
- Juice boxes and tinned fruit
- Tinned fish/meat with **ring pulls**
- Soup, tea, and coffee
- Rice, pasta, pounded yam
- Jarred and tinned sauces
- UHT milk

Tuesday was TimesTable Rock Stars Day

On Tuesday we had our TTRS days. The children (and staff!!) made a huge effort and all looked fantastic in their rock star outfits! This was a fun way of focusing on maths, whilst also getting to be rock stars for the day!!! We had a brilliant music assembly with Millie from RockSteady. The teachers had a go at being in a rock

band as did several children – it was fantastic fun!!

Starting a new school?

Your child will be learning and playing with more children when they start their new school and could be at risk of catching preventable diseases if they haven't had all their childhood jabs.

- ✓ Buy uniform
- ✓ Get school shoes
- ✓ Check pre-school jabs are up to date

Pre-school jabs include:

- ✓ 2 doses of MMR or MMRV
- ✓ Pre-school booster of dTaPiPV

If you are not sure if your child has had all their routine vaccinations, check their personal health record (Red Book) or contact the GP surgery. To get the best protection for your child, they need to have had 2 doses of MMR containing vaccine. For a checklist of the vaccines and the ages at which they should ideally be given visit: www.nhs.uk/vaccinations
