Year 5 Trip to The Tate

Class 5 enjoyed a fascinating visit to Tate Britain, where they explored the artwork of James McNeill Whistler. The children looked closely at a selection of his paintings and discussed what each image could tell us about life in the past. The children became art detectives, examining details such as clothing, buildings, people and the surrounding environment to make connections with our local history. It was wonderful to see the children sharing thoughtful observations and using the artwork to deepen their understanding of how London has changed over time. It was also wonderful to hear so many members of the public comment on our children's fabulous behaviour. Well done Year 5!

Hello Yellow

Don't forget Friday 9th October is Hello Yellow day! Children are invited to come into school wearing something yellow and bring in a donation (suggested donation £1) for the YoungMinds charity. This can be one yellow thing or as much yellow clothing as you have at home! During the day, the children will be talking about mental health.

For further information please visit <https://youngminds.org.uk/> Hello Yellow is an event which we mark annually in aid of children’s mental health awareness. YoungMinds is the UK’s leading children’s mental health charity committed to improving the mental health and emotional well-being of children and empowering their parents and carers.
