**Excellence with Compassion**

Dear parents,

### Welcome to this week's newsletter!

Our classes have started going out on trips last week. Year 4 visited Pizza Express last week as part of their 'Come Dine With Me' Geography project. They had fun being chefs for the morning and were able to bring their pizzas home with them!

And we had some lovely work shared in Family Assembly by classes 1, 3 and 5. Class 1 shared their artistic mark making with us. Class 3 have started learning about Ancient Egypt and have created some wonderful Egyptian paintings, seen here by Lyla, Anishkaa, George and Holy. And Class 5 shared some amazing facts about the distance of the planets from the sun, demonstrating to scale using toilet paper!

## Housing advice

We have also been asked by Shelter, to share the following:

## School Navigator:

Don't forget, every Thursday, we have Gemma our school navigator joining us. Every Thursday morning Gemma will be based in the meeting room. She is here to support our families with any help they may need – this may include services such as housing, benefits,

healthcare and more. She is also

here to support families with emotional and behavioural concerns, as well as SEN support. Please feel free to approach Gemma for more information. This is an exciting new role provided by the local authority as a way to bridge the gap between school and the other services out there that can help our families. Hopefully Gemma will have some of the answers or can help in ways that we can't always help! Gemma is not here this Thursday, but will be back next Thursday 10<sup>th</sup> October.

I'm Gemma, the school navigator, a friendly face from Westminster Council, connecting you to all the services available for parents/carers and children within the community. These may include services such as housing, benefits, healthcare and more. I am also here to support you with emotional and behavioural concerns, as well as SEN support.
